IN THE NEWS:

We have had an action packed week at Callowell celebrating Science week with all classes taking part in a range of activities, including Silly Science workshops, whole school measurement challenge and rocket mouse investigation. We are also running a whole school Science poster competition based on this year's theme of 'adapt and change,' entries for these need to be handed in by Monday 31st March. Please see Class Dojo for more information.

It was fantastic to see so many children in red today in support of Comic Relief. Thank you for all of your donations so far, as a school we have raised £84. If you would still like to donate, please go onto Just giving and search for Callowell where you can donate online.

A huge congratulations to Mrs and Mr Hulme who are expecting a baby later in the year!

NOTES AND REMINDERS:

Please can we remind parents and visitors not to park in the turning circle or on the yellow zigzag lines at any time. Unfortunately, we have had several complaints regarding this. Thank you for your support.

Please can we remind you to send your children into school in school uniform and in their PE kit on their PE days.
