IN THE NEWS:

We have had another great week at Callowell and are very much looking forward to celebrating Science week next week.

On Wednesday, Sycamore took part in a sports tournament with local schools at Stratford Park leisure centre. They represented our school brilliantly and worked extremely hard at the many events throughout the morning.

We are very much looking forward to supporting Comic Relief on Friday 21st March and 'Doing something funny for money'. Each class will judge their best joke which will then be performed in our Friday celebration assembly. Children are invited to come in wearing something red - suggested donation is £1.

NOTES AND REMINDERS:

Please can we remind parents and visitors not to park in the turning circle or on the yellow zigzag lines at any time. Unfortunately, we have had several complaints regarding this. Thank you for your support.

Please can we remind you to send your children into school in school uniform and in their PE kit on their PE days.
