IN THE NEWS:

We have had a fantastic week at Callowell with lots of events taking place.

The children had a brilliant day with BWare the Author on Tuesday listening to an extract from her latest book, as well as taking part in a workshop where they showcased their writing and creative skills.

On Thursday, Beech and Birch had a great day on their school trips to enhance their learning this term. Beech class dodged the showers as best as they could on their trip to Robinswood country park, whilst they went pond dipping and scavenger hunting for natural items. Birch class took part in a Stone Age workshop and discovered lots of interesting facts about this historical era, during their trip to the Museum in the Park.

Today, the children have had a wonderful day having a go at climbing as far as they could on the climbing wall. We were very proud of their efforts and bravery to get as close to the top as possible.

NOTES AND REMINDERS:

Please read the social media permissions letter coming home today and return as soon as you can.

Please can we remind parents that scooters and bikes are not to be ridden on after entering the school gates for safety reasons, as unfortunately we have had a few medical incidents.

Please remind your children that the car park is not for children to play on for their safety.
